We hope that everyone had a lovely, sunny break and that you are all ready for a new academic year.

There are no significant changes to our timetable this year: Mrs Metcalfe will continue to teach Monday to Wednesday and Mr Yeoman will teach on Thursday and Friday until Mrs Harker-Jones returns from her maternity leave.

Our topic this term is entitled "On the move" and will follow the development of transport from the bicycle to the invention of the railways and look into the future of modern transport innovations. We will of course track the UCI Road World Championships as they take place on our doorstep at the end of the month!

Our trip this term is the The Railway Museum in York on Tuesday 8th October and we will get there by train from Harrogate station.

**Swimming** will take place on Friday afternoons with pupil pick-up from the pool at 3:20pm

**PE** will take place on Thursday in Autumn 1 - Tag rugby / Wednesday in Autumn 2 - Dance

**Homework**

Mr Yeoman will set spelling / English homework on Thursday for collection the following Wednesday.

Mrs Metcalfe will set maths homework on Wednesday for collection the following Monday.

**Reading**

We are going to try something new with our reading records - watch this space!
